

**CITY OF
TALLAHASSEE**

Vendor Notice – August 6, 2021

Vendor/Supplier COVID 19 Protocol Update

Since the last [Vendor Notice in March 2021](#), the City has discontinued the temperature screenings and questions. However, the following COVID 19 protocols remain in place:

- Contractors or subcontractors, regardless of vaccination status, shall wear a face covering/mask, continue to practice social distancing where possible while visiting or working on city property.
- Purchasing agents will have face mask available for vendors that attend any in person pre-bid meetings or site visits.

Your cooperation and understanding are greatly appreciated as the City continues to fight the spread of COVID-19.
