

Attention Construction Trades and Professional Services Providers – Continuing Service Contracts Coming Soon!

To participate in the procurement process, you must be registered in the City of Tallahassee's [procurement portal](#). To assist you in registering, please reference the [Vendor Registration](#) support site.

Construction Trades

The City of Tallahassee is preparing to procure a variety of **continuing service contracts related to both commercial and residential construction projects** over the next several months. These contracts will be used for the next three years and will be eligible for renewal for up to two additional years at the City's discretion. These contracts are used in support of the City's needs for both City facilities and housing rehabilitation projects *up to \$100,000.00 per project*.

Trades specifically being sought include:

- Roofing
- HVAC
- Plumbing
- General Contractors
- Electrical
- Painting
- Mowing - Right of Ways, Well Sites, Etc.
- Tree Trimming
- Fencing
- Concrete Services

The City of Tallahassee is holding a vendor outreach event to help you learn more and prepare to participate in the upcoming procurement process. If you would like to learn more about doing business with the City and the City's procurement process please join us:

March 23, 2023
