

	The BlueCard Program®	Away From Home Care®	BlueCard Worldwide®	GeoBlue Expat SM
Overview	The BlueCard Program enables Florida Blue members who travel or live out of the service area (i.e. outside of Florida) to access participating providers of independent Blue Cross and/or Blue Shield organizations and receive all the same benefits of their Florida Blue health plan	Away From Home Care (AFHC) is a value-added, voluntary program providing Florida Blue HMO* group members with coverage for medical care including routine treatment, when visiting or living in another Blue Plan's HMO operational area Note: This coverage is for services in the United States only. Not all Blue Plans in all states participate	BlueCard Worldwide provides Florida Blue members with access to a worldwide network of hospitals and doctors on all 5 continents. The program includes a broad range of medical assistance and claim support services for members traveling abroad	GeoBlue Expat allows Florida Blue to provide Florida-based multinational corporations with comprehensive health care coverage for employees who live and work outside of the United States for most of the year. GeoBlue Expat performs all of the administrative functions related to their product
Purpose	Designed to provide access to the Blue Plan networks nationwide to Blue Plans and their members, facilitate efficient claims processing and customer service, and help Blue Plans maintain strong relationships with their local providers	Designed to provide Blue HMO members access to routine care while traveling or residing outside of their Home Plan Service Area	Designed for the business and leisure travelers as a medical assistance program for medical services outside the United States	Designed for United States expatriates working abroad as a comprehensive medical health care product(s) for routine, urgent and emergency care. Member benefits include prescription drug coverage. Dental and vision plans are additional optional products for an entire group, not for one individual. Vision and dental plans are offered as rider to the medical coverage
